

	Lecturers:		Primary Research Interests
	Penelope	DeFreitas	HCI, E-Learning, Software Engineering
	Owen	Grant	
	Rayad	Lackhan	Machine Learning
	Alicia	Layne	Health Information Systems, Design Science
	Aurel	Liddell	E-learning, Information and Knowledge Management Systems
	Juanelle	Marks	E-Learning, HCI and UX
	Girendra	Persaud	(1) Computer Graphics, Vision, Animation, and Game Science, (2) Security, (3) Database Management Systems, (4) Machine Learning, (5) Big Data
	Vineeta	Persaud	Computer-Aided Education, Ethical Issues & Privacy in Digital Society, Ergonomics, Human-Computer Interaction, Ubiquitous Computing
	Dave	Sarran	E-Learning (Programming), Internet Computing, Networking
	Lenandlar	Singh	Learning Technologies, Computer Science Education (Programming Pedagogy, Tools to support learning of Programming), Internet Security; HCI and Usability Evaluation; Information Systems Adoption, Use, Evaluation.
	Malcolm	Williams	Information Systems, IT Governance, ICT Project Management, Technology Adoption, eGovernment
